

CAMPUS SAFETY !

IS OUR #1 PRIORITY ●

Here are some things you can do to be informed, prepared, and safe.

- Always be aware of your surroundings.
- Always lock your doors and windows at home, in your car, etc.
- Know who's at the door **BEFORE** you open the door.
- Don't walk alone...use the buddy system or take advantage of the campus resources.
- Trust your instincts...if something seems wrong, contact the police or report your concern to a faculty or staff member.
- Keep your personal property/valuables secure and out of sight.
- Park in well-lighted areas.
- Let someone know where you're going and when you'll be back.
- Don't share personal information (i.e., phone numbers, address, class schedule, etc.) on social-networking sites. Protect your privacy.
