Raiders' Closet

NOTE: Raiders' Closet now has a Foundation account for tax-deductible monetary donations.

(Please call the BCEN Office at (615) 898-2902 for more information.)

MTSU students often lack the appropriate professional attire needed to create the best impression in an interview or internship setting. Many students, in fact, simply cannot afford the cost of a business suit.

Donate your gently used, professionally dry cleaned men's and women's business attire (suits, shirts, slacks, blouses, ties, skirts, jackets, and scarves) to Middle Tennessee State University students in need!

MTSU students who receive your clothing donations will be able to participate in interviews, internships, job fairs, and formal presentations because they will have the necessary professional business attire required for those situations.

Donated items must be dry cleaned and on hangers. Men's shirts must be folded for shelf storage. All clothing donations must be professional business attire.

NOTE: Raiders' Closet reserves the right to refuse to receive/accept clothing donations that are not professional business attire.

Do you have business clothing that you can no longer wear that is taking up your closet space?

To make a clothing donation, please
