## Alumni Association President

On behalf of the Middle Tennessee State University National Alumni Association, I congratulate you on joining a very special group. You have now moved from being a student to joining more than 140,000 MTSU alumni. As an alum, you are a vital part of the Middle Tennessee State University family. We count on you to represent us to this nation and the world. We hope that your experiences as a student will serve you well in the future.

Always be proud of your alma mater and stay connected to your University. To be involved in the Alumni Association, please contact the Office of Alumni Relations at 1-800-533-MTSU (6878) or visit [mtalumni.com](http://mtalumni.com).

Welcome to the future and to your National Alumni Association.

# Mace and Chain of Office

Originally a medieval knight's weapon, the mace evolved into a symbol of royal scepters in various crown jewel collections. Large versions of the scepter have come to represent the power and authority of institutions such as our University. The mace measures 50 inches in length and is made of Tennessee cherry wood embellished with sterling silver and lapis lazuli. The Tennessee flower, the iris, denotes the public the University serves who, by their loyalty, give it strength and power. The leaves form a crown to symbolize the ennobling achievements of our graduates. Tennessee freshwater pearls, the official state gem, suggest the inestimable value of inquiring minds. The streamer on the wooden shaft carries the names by which the University has been known since its founding. The finial at the base of the mace is a stylized nut, representing the seed from which springs the mighty tree of those committed to lifelong learning.

The chain of office worn by the president is made of sterling silver. The lapis lazuli gems, mounted on scroll shapes, represent the colleges within the University. The knotted components depict the interdependence of knowledge and the various academic programs of MTSU. The lapis lazuli and sterling represent the University colors of blue and white. The Great Seal of the State of Tennessee embellishes the medallion suspended from the chain, representing the University as part of the Tennessee higher education system.

These unique emblems of authority were designed and crafted by Professor Klaus Kallenberger, formerly of the Art Department. The mace and chain of office are a generous gift to the University from the MTSU Foundation.

# Academic Regalia

The black gowns and colorful hoods traditionally worn in Middle Tennessee State University Commencement ceremonies have their origins in the Middle Ages.

A statute in England in 1321 required that all “Doctors, Licentiates, and Bachelors” wear gowns. In the second half of the 14th century, the statutes of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. Scholars were often clerics, as well, and they adopted costumes similar to those of monastic orders. While the special attire covered rank or social status, thus lending a uniform look to ceremonies, it also served another purpose: warmth in drafty, unheated buildings.

As the universities began to pass from the control of the church, colors often were added to the somber robes and hoods, eventually signifying the degrees and specializations.

The cut of the gown, which is usually black, also varies with the degree held—pointed sleeves for the bachelor’s degree; long, closed sleeves with a slit in the arm for the master’s degree; and round, open sleeves for the doctoral degree. While the bachelor’s and master’s gowns have no ornamentation, the doctoral gown is faced down the front with velvet and has three velvet bars across the sleeves.

At Middle Tennessee, hoods are worn by holders of the master’s and doctoral degrees, with the latter being longer. Hoods are lined with the official colors of the universities that conferred the degrees; thus, holders of degrees from MTSU wear hoods lined in blue and white. The velvet edging on the hood, and often the velvet edging on the gown, represents the wearer’s major academic field. Further, the velvet bars on the sleeves may be either black or the same color as the discipline color of the hood. Colors associated with various subjects follow:

- Agriculture** - Maize
- Arts, Letters, Humanities** - White
- Commerce, Accountancy, Business** - Drab
- Criminal Justice** - Midnight Blue
- Economics** - Copper
- Education** - Light Blue
- Fine Arts** - Brown
- Home Economics** - Maroon
- Journalism** - Crimson
- Law** - Purple
- Library Science** - Lemon
- Music** - Pink
- Nursing** - Apricot

- Oratory (Speech)** - Silver Gray
- Philosophy** - Dark Blue
- Physical Education** - Sage Green
- Science** - Golden Yellow
- Social Work** - Citrine

The black cap, either a mortarboard or a tam, is customarily worn. There is no general rule for the position of the tassel. In practice at Middle Tennessee State University, the tassel is worn on the right. It may be shifted to the left after the degree is awarded. Men may remove their caps during the prayer, the playing of the alma mater, and the commencement address.

Undergraduate Latin honor graduates are distinguished by the stoles added to their gowns based upon the inclusive GPA: gold for those graduating summa cum laude, 3.90 to 4.0; silver for magna cum laude, 3.75 to 3.89; and white for cum laude, 3.50 to 3.74.

Graduating from the University Honors College is an additional merit awarded to students who have completed the Honors program, defended a thesis, and have a cumulative grade point average of 3.25 or higher. Graduates of the University Honors College who have completed at least 29 hours with a 3.25 average in the Honors program will receive blue and white cords. Those who have maintained a minimum average of 3.65 in the Honors program are graduating the University Honors College with distinction.

Since 1993, graduates of the University Honors College have received the official Honors medallion in recognition of their final thesis defense and completion of special requirements of the college. The medallion is a replica of the official seal of the University Honors College and depicts a lighted torch, three Ionic columns, and a lightning bolt. Respectively, these symbolize the search for truth and knowledge, the stability and unwavering commitment to pursuing knowledge, and the flash of enlightenment or creative energy.

Some academic honor societies and programs may provide cords, ribbons, medallions, or lapel pins designating the achievement and involvement of their members.

Military veteran students are distinguished by specially designed red stoles in recognition of their admirable service to their country.

Experiential Learning Scholars are distinguished by blue, silver, and white cords. These scholars completed

EXL-designated hands-on learning courses, an off-campus service activity, an on-campus service activity, and a portfolio of reflections on their EXL activities. The EXL program provides students with opportunities for hands-on experience, valuable networking, and an opportunity to explore career paths through real-world experience.

MT Engage Scholars are distinguished by royal blue, white, and gold cords. These students completed MT Engage-designated courses that promote active learning and integrated their learning by reflecting on connections across disciplines and between their academic and cocurricular experiences. MT Engage students showcased their integrative learning in an ePortfolio that documented their community and campus involvement as well as the academic knowledge and skills they gained during their time at MTSU.

International students may wear colorful sashes that represent their country of origin. Each sash symbolizes, in color and design, their country's flag.

Undergraduate Research students graduating with Distinction are wearing a dark blue, light blue, and white cord. These students graduating with Scholar Distinction are also wearing a medallion to recognize their completion of a research or creative project, its dissemination to the MTSU campus and/or a nationally recognized conference, and their engagement in promoting undergraduate research to the campus.

Most American colleges and universities have adopted a uniform code. However, at any academic gathering, costumes often are worn that are not described by these guidelines. Some of these may be from foreign universities, with others from American institutions that have preferred to remain with the European tradition of allowing each school to determine its own costume. Silver medallions worn by faculty denote 15 years of service, and gold medallions represent 25 years.

## *Academic Banners*

The banners displayed at Commencement represent the University; its nine colleges (Basic and Applied Sciences, Behavioral and Health Sciences, Business, Education, Liberal Arts, Media and Entertainment, Graduate Studies, University College, and University Honors); Walker Library; and the Faculty Senate. Art Professor Janet Higgins, her student Kristi Baughman, and Darrell Callis Burks, designer in Creative Marketing Solutions and 2000 B.F.A. graduate, designed and executed the banners. The colors used in each banner represent disciplines within the colleges. The University seal appears in the center of each banner, symbolizing that the whole is greater than any of its parts.

#### **College of Basic and Applied Sciences**

**Dr. Alyson E. Lischka**, associate professor in the Department of Mathematical Sciences, has a B.S. in Mathematics from Michigan State University, an M.S. in Secondary Mathematics Education from Georgia State University, and an Ed.S. and Ed.D. in Teacher Leadership for Learning with a concentration in Adolescent Mathematics from Kennesaw State University.

Since joining the Mathematics Education group in the Department of Mathematical Sciences in 2013, she has taught content and methods courses for prospective mathematics teachers, supervised secondary mathematics student teachers, and provided mentoring and course

instruction for the Mathematics and Science Education Ph.D. program. Her published research and scholarship focus on supporting prospective and practicing mathematics teachers in developing effective mathematics teaching practices.

Since 2016, Lischka has served on the leadership team for the Mathematics Teacher Education Partnership, a national consortium of universities and school systems working to transform secondary mathematics teacher preparation programs. In her work with the MTEPartnership, she leads the research action cluster called MODULE(S2), which stands for Mathematics of Doing, Understanding, Learning, and Educating for Secondary Schools. The group is working to improve mathematics content courses for prospective secondary mathematics teachers.

Lischka has served on the editorial teams for two books in the Association of Mathematics Teacher Educators' Professional Book Series and participates in service roles in national organizations. Locally, she served as a leader for Project IMPACT, a six-year professional learning project supporting over 200 K-8 mathematics teachers in several area school systems. She is also the faculty advisor and treasurer for the MTSU Wesley Foundation board of directors.

#### **College of Behavioral and Health Sciences**

**Dr. Sandy Neal** earned her bachelor's (1976) and master's (1977) from MTSU, and completed her doctorate at the University of Tennessee. She is certified through the

National Commission for Health Education Credentialing. Throughout her tenure in the Department of Health and Human Performance, she has been a role model and mentor for numerous faculty and students. Neal also has been instrumental in developing and revising new health programs and curricula.

Neal was a four-year letter-winner in tennis at MTSU, having made the team as a walk-on in 1972. She improved to the point that she played No.1 singles and doubles for the Lady Raiders. In 1975, MTSU awarded scholarships to female athletes for the first time in school history, and Neal was a recipient. After graduation, she became head coach of the women's tennis team (1976–92), leading the Lady Raiders to both Ohio Valley Conference regular-season and tournament championships in 1980, '82 and '90. Neal was named OVC Coach of the Year five times (1980, '82, '89, '90, '91) and coached 16 all-conference players and one All-American. Neal also took on the responsibility of coaching the MTSU volleyball team during its first two seasons and is credited with beginning the program.

## Jennings A. Jones College of Business

**Dr. Wisarut “Wis” Suwanprasert** is an assistant professor in the Department of Economics and Finance. He earned a B.S. in Economics from Chulalongkorn University in Thailand in 2010, an M.S. in Economics from the University of Wisconsin–Madison in 2012, and a Ph.D. in Economics from the University of Wisconsin–Madison in 2016. Prior to joining MTSU, Suwanprasert was a visiting assistant professor at Vanderbilt University. He is internationally recognized and regularly joins the Bank of Thailand as a visiting research fellow.

Suwanprasert received the 2020–21 Bridgestone Americas Distinguished Lecturer award for his excellence in teaching. He currently teaches Microeconomics and Managerial Economics in the undergraduate Economics program and International Economics in the Ph.D. program. He also serves on the Department of Economics and Finance's scholarship committee and the Jones College of Business' undergraduate curriculum committee.

His primary area of research focuses on the World Trade Organization's rules on trade agreements, the effect of trade policy on unemployment, and export promotion policies. His research has been published in several journals, including *Review of International Economics*, *International Economic Journal*, *The B.E. Journal of Theoretical Economics*, and *Economics Letters*.

## College of Education

**Dr. Bonnie Barksdale**, an assistant professor, earned a B.S. in Early Childhood Education from Texas Woman's University, a master's in Curriculum and Instruction with an emphasis in elementary literacy from Texas Christian

University, and a Ph.D. in Reading Education from Texas Woman's University in 2018. Prior to joining the MTSU Elementary and Special Education faculty, she worked in public school systems in Texas and Illinois as an elementary classroom teacher, literacy specialist, and literacy coach.

In addition to teaching undergraduate and graduate courses, Barksdale is an active researcher and presents her work at local, state, and national level conferences. Barksdale's current research focuses on writing instruction in primary grade classrooms, as well as adaptive teaching decisions during that instruction. Her research has been published in journals such as *Journal of Research in Childhood Education* and *Tennessee Literacy Journal*.

## Faculty Senate

**Dr. Rick Cottle**, the 2020–21 Faculty Senate president, is a veteran of the textile industry for more than 25 years and an associate professor for the Department of Human Sciences. He earned a B.S. from Auburn University in 1984, an M.B.A. from the University of Phoenix in 2003, and a Ph.D. from Auburn University in 2012. Cottle joined MTSU's College of Behavioral and Health Sciences in 2013 and teaches all aspects of the textile industry to apparel and interior design students.

His research focuses on three-dimensional body scanning as it pertains to the fit of apparel items to the human body, human health, and human wellness. Cottle's teaching philosophy includes human, environmental, and economic sustainability.

## College of Graduate Studies

**Dr. Jennifer J. Kaplan** is the director of the Ph.D. program in Mathematics and Science Education (MSE) and an associate professor in the Department of Mathematical Sciences at MTSU. As the director of the MSE program, Kaplan has overseen revisions to the curriculum and preliminary examination procedures in addition to providing oversight and mentorship to the 35 students in the program. At MTSU, she has taught both the Residency and Research seminars for incoming students in the Ph.D. program, as well as an undergraduate statistics course.

Kaplan's research field is statistics education, specifically the study of learning and teaching of statistics at the undergraduate level. She has a passion for research that helps create a statistically literate citizenry. Prior to her arrival at MTSU, Kaplan was an associate professor in the Department of Statistics at the University of Georgia, where she taught service statistics courses for graduate students across the science disciplines, trained graduate students in statistics, and taught pre-service mathematics teachers to teach statistics.

Kaplan has been the principal investigator on three National Science Foundation-funded grants, all of which

used research on student learning in statistics to provide faculty or graduate students professional development for teaching statistics. She has graduated four Ph.D. students and eight M.S. students and has published 25 peer-reviewed publications, 10 with her graduate students as co-authors. In addition, Kaplan has given 40 presentations at regional, national, and international conferences and currently serves as the editor of the *Statistics Education Research Journal*.

## College of Liberal Arts

**Dr. Meredith Huey Dye** joined the faculty of Middle Tennessee State University in 2008 after receiving her Ph.D. in Sociology from the University of Georgia. She has taught courses in sociology, criminology, research methods, and statistics at the undergraduate and graduate levels.

Dye serves as the undergraduate program director for Sociology and is advisor for the Criminology minor. She regularly works with students in Women and Gender Studies, Honors, and the Sociology graduate program on research projects and theses. Her own research centers on the experiences of incarcerated individuals, with a specific focus on suicide in prison and women serving life sentences. She is the co-author of *Women Lifers: Lives Before, Behind, and Beyond Bars*.

## College of Media and Entertainment

**Mr. Rodrigo Gómez**, a native of Colombia, worked for over 14 years for Mattel/Fisher-Price as a producer and director of animated cartoons for children, corporate videos, and commercials prior to joining MTSU. Gomez is passionate about the creative process of animation and the search for new stories to create innovative visuals. He enjoys working with students on exploring their most creative ideas while striving for the highest level of quality. He is author of the children's book *Milly & Roots: The Headscarf*, and he is producer of a mini web series on autism titled "Percy Talks."

Gomez holds a bachelor's degree in Graphic Design from the National University of Colombia and a master's degree in Computer Animation from the Rochester Institute of Technology in Rochester, New York. He has taught in multiple colleges in his native Colombia and the United States.

## University Honors College

**Dr. Stacy Fields** is an assistant professor in the Department of Elementary and Special Education. She earned her B.S. in Elementary Education from Union University, M.Ed. from Lipscomb University in Teaching, Leading, and Learning, and Ph.D. from Middle Tennessee State University in Literacy Studies.

Fields teaches undergraduate and graduate courses with a focus in middle grades literacy, assessment, and classroom management. Her research interests include K–12 literacy, meta-analysis, and adolescent writing, specifically instructional strategies for English Language Learners (ELL). Fields was awarded the Clouse-Elrod Education Research Award and the Herbert M. Handley Outstanding Dissertation Award for her work in ELL adolescent writing research.

## University College

**Mr. Thomas Torku** is a lecturer teaching prescribed mathematics courses in the University Studies Department. He earned a bachelor's degree in Mathematics with a Business minor from the University of Cape Coast, in Ghana. Torku obtained his master's in Mathematical Sciences from East Tennessee State University and is pursuing a Ph.D. in Computational Science at Middle Tennessee State University.

In addition to teaching and research, Torku has assisted students at various levels. He has served as a volunteer tutor for mathematics students at Central Magnet School in Murfreesboro. His passion to enhance the success of all students motivated his involvement with MTSU's Scholars Academy program in summer 2018 and summer 2019. Presently, he serves as a faculty mentor in the Mathematics and Mentoring Grant Program.

## James E. Walker Library

**Ms. Susan Martin** holds an A.B. in American Studies and French from Mount Holyoke College and an M.S. in Library and Information Science from Simmons College. She serves as the Collection Development and Management (CDM) department chair in the James E. Walker Library. She provides leadership for CDM, which includes Acquisitions, Cataloging, Continuing Resources, Special Collections, Materials Budget, Binding/Book Repair, Discovery Services, Library Systems, and Collection Assessment.

Immediately prior to this position, she served as the head of Acquisitions Services at The University of Chicago Library and as acquisitions librarian at Texas Woman's University. Her other experiences include writing and editing for an internet startup and working as a professional librarian in a variety of departments: acquisitions, cataloging, circulation, and reference.

She has presented and written on workflow automation, open access, and staff recruitment. Her research interests include staff recruitment, training, and retention, as well as workflow analysis and automation. She is actively involved with the FOLIO project, serving as convener of the Acquisitions Small Group, and is active in CORE, a division of the American Library Association, serving as chair and member of several interest groups and committees.

# Alma Mater

words and music by Charles Douglas Williams (B.M. '54)

We sing thy prai - ses faith - ful guide of youth;

The first system of musical notation for the song 'Alma Mater'. It consists of a grand staff with a treble clef on the upper staff and a bass clef on the lower staff. The key signature has one flat (B-flat) and the time signature is 4/4. The melody is written in the treble clef, and the accompaniment is in the bass clef. The lyrics are: 'We sing thy prai - ses faith - ful guide of youth;'.

Through all the a - ges af - firmed and strong in truth.

The second system of musical notation. It continues the melody and accompaniment from the first system. The lyrics are: 'Through all the a - ges af - firmed and strong in truth.'.

Al - ma Ma - ter Mid - dle Ten - nes - see

The third system of musical notation. The lyrics are: 'Al - ma Ma - ter Mid - dle Ten - nes - see'.

We proud - ly of - fer our hearts in loy - al - ty.

The fourth and final system of musical notation. The lyrics are: 'We proud - ly of - fer our hearts in loy - al - ty.'.
