Middle Tennessee State University Fall 2022 Admitted Students

June 2, 2022

Middle Tennessee State University congratulates more than 9,100 students who have been accepted for admission for the Fall 2022 semester.

Founded in 1911 as one of three state normal schools for teacher training, Middle Tennessee State University is one of the oldest and largest undergraduate universities in the state of Tennessee. With a fall enrollment averaging more than 21,000 students for the past five years, MTSU remains committed to providing individualized service in an exciting and nurturing atmosphere where student success is the top priority.

We also put these stories and achievements on verified public pages for you to use and reference for future applications, schooling, and employment!

2 HOW CAN I USE MERIT

- Merit is an online portfolio of your time at Middle Tennessee State University
- You can personalize your page with photos, academic and extracurricular activities, and work experience.
- You can easily share all of your achievements with your own network on social media
